

# EIT RawMaterials Start-up Bootcamp

Regional Innovation Scheme Special

Place and Date: Leoben, Austria 13/12/2018 - 15/12/2018

You are creative, interested in start-ups and have already thought about turning your ideas into reality?

**In this case, join the Start-up Bootcamp!**

## The facts:

- target group: ideas in the field of raw materials , circular economy, metallurgy, digitalisation, recycling, substitution, energy in the raw material sector, mining
- international training in English
- two and a half days of coaching & support
- includes three lunches and a networking dinner
- travel and accommodation reimbursement possible!
- successful start-ups tell their story
- contacts to EIT RawMaterials and its start-up funding
- pitch competition

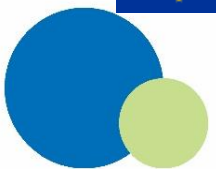

**Apply & turn you idea into reality!**

Especially, we support start-ups with a contact to East- and Southeast Europe or who are interested to establish contacts in this region. Therefore, we will invite representatives of the region to talk about obstacles and chances.

EIT RawMaterials is supported by the EIT,  
a body of the European Union

## Agenda

**Place and Time: Leoben, Austria 13/12/2018 9:00 - 15/12/2018 13:00**

Introduction

Workshop: In nine modules from idea to start-up!

Talk: Start-up in Austria & in East- & Southeast Europe

Report: Start-ups name chances und obstacles

Talk: Start-up possibilities in EIT RawMaterials

Networking Dinner

Pitch Competition

Pitch Awards Ceremony & Farewell Lunch

It's best to work in teams. Therefore, we encourage teamwork and a registration with a team name. If you are still alone with your idea, motivate a friend!

From all applicants the 15 best and most creative teams are invited to let their ideas become reality!  
Apply now until the 29/11/2018!
